

**REPRESENTATIVE DRIEHAUS ANNOUNCES SERVICE ACADEMY  
APPOINTMENTS**

**CINCINNATI, OH**—Representative Steve Driehaus today announced the appointments of four First Congressional District high school students to the United States Service Academies.

“An appointment to a service academy is a tremendous achievement, reserved for young men and women who have demonstrated exceptional talent and leadership. These four students should be proud of their accomplishment, and our community is certainly proud of their commitment to serve our nation,” said Rep. Driehaus.

Each year, Members of Congress nominate students for admission to the United States Service Academies. The United States Service Academies include the U.S. Military Academy (West Point), U.S. Naval Academy, U.S. Air Force Academy, U.S. Coast Guard Academy, and U.S. Merchant Marine Academy. A congressional recommendation is an admission requirement at all service academies except the U.S Coast Guard Academy.
